## Minutes from the May 17 Meeting

There were 17 in attendance plus an interclub from Davenport Noon, Margy (our returning guest soon to be member), and our speakers.

Maria led the meeting in Jim's absence. Wally offered the prayer.

Ron said his father will celebrate his 93<sup>rd</sup> birthday this week.

Maria reported that last week's service project went very well. All the books were boxed within 90 minutes. The staff at Thomas Jefferson Elementary was very appreciative of our help. No June service project has been planned yet but it may involve Kiwanis Park.

This month's interclub will travel to Fulton on May 24 to attend a noon meeting at Manny's Too.

Mike asked the club which

night they would like to attend a River Bandits game as a summer social. Everyone thought the Tuesday night "Kids Eat Free" would be the best. The club picked Tuesday, June 7.

Kristen introduced our speaker, Barb Ven Horst, from Junior Achievement. She brought Paul to assist her. Her topic was "How to Have the Talk with Your Kids About.....Money Management".

Barb said that teens are feeling the money crunch just as badly as their parents. On a recent survey 73% of teens have a savings account. Parents are reluctant to talk to their teens about money. JA teaches children about money. JA volunteers go into the classroom and teach the free enterprise system. They prepare students to be responsible employees and to give back to the community.
